Dear President Obama:

On behalf of the National Association for College Admission Counseling (NACAC) and the undersigned Affiliates, representing more than 20,000 college counseling and admission professionals nationwide, I write to thank you for your leadership in making undocumented student access to postsecondary education a priority for your Administration's proposal on comprehensive immigration reform.

Your remarks on May 10, 2011 at the Chamizal National Memorial Park in El Paso, Texas, demonstrate your dedication to improving college access for students America prepared to contribute to our local and national economy. Our members sincerely appreciate your support for removing the barriers to higher education for talented and ambitious immigrant students by providing a path to citizenship to those who qualify.

We would like to express our commitment to seeing the Development, Relief, and Education for Alien Minors (DREAM) Act arrive to the White House for your signature. Please know that we are ready to support this bill in any way possible and would be happy to mobilize our members in support of this effort.

Please do not hesitate to contact NACAC's Director of Public Policy and Research David Hawkins at dhawkins@nacacnet.org with any questions about college preparation, admission and enrollment.

Sincerely,
